Instilling Purpose in Healthcare

NATIONAL QUIZCON 2

CLINICS TO CREATION

CONFERENCE CONTENT

18th & 19th DECEMBER 2026

From Clinical Problems to Artificial Intelligence, Prototypes, Intellectual Property & Commercialisation

SIX STEPS FROM INSIGHT TO IMPACT

01 **THINK & IDENTIFY**
Why should a physiotherapist become an innovator?
Clinical problem → innovation opportunity

02 **FROM CLINICAL INSIGHT TO INNOVATION**
Turning problems into solutions

03 **FROM IDEA TO PROTOTYPE**
Low-cost prototyping + AI + computer vision

04 **PROVE & PROTECT**
Does your prototype actually work?
Validation → evidence → prototype refinement → patent

05 **PROTECT & SEARCH**
Patent • copyright • trademark • design • trade secret
Prior-art search

06 **FROM INVENTION TO IMPACT**
Can your innovation reach the patient?
Patent → publication → startup → industry → commercialisation
